I Remember how they Laughed 13 Years and 161 Editions Ago

I REMEMBER SO WELL ...

I remember when the very first edition of The Valley Patriot was delivered to my office in Lawrence City Hall back in 2004. I had never seen anything like it. It was a breath of fresh air for free speech in the Lawrence area! Tom, you and your team have come a long way since those days, you ought to be proud!

I also remember taking my share of criticism in the pages of this newspaper, but it was always fair and never personal.

Mostly, I remember when you first unveiled your vision for standards in journalism, how you were laughed at and mocked by the political insiders and the newspaper industry.

School Committee Bills Taxpayers for Fine Dining

Tom Duggan

For the past three years members of the Lawrence School Committee have been billing the taxpayers for plush dining at the city's most expensive restaurant: One Mill Street.

Then School Committeemen Noah Shannon, Pedro Arc, Suzanne Picciotto, Nancy Kennedy and current member George Gonzalez all dined with Superintendent Wilfredo Laboy and his staff after school board meetings running up tabs worth over \$1,200.00.

Documents obtained by The Valley Patriot show that state taxpayers treated members of the Lawrence School Committee to more than a dozen expensive meals between 2001-2003.

Meal reimbursement receipts show School Board members helped themselves to veal, sirloin steak, calamari, pork chops, duck, steak salad, garlic shrimp, mussels, scallops, spinach chicken, assorted appetizers and other various menu items. The meals were then billed to the Lawrence Public Schools which receives 100% of its funding from the state and federal government.

While Superintendent Laboy's \$156,000 a year contract does not include a meal allowance, he says that some of his expenses are reimbursable. "I don't have a meal allowance but it is accepted

"...the Ethics Commission should be informed about this. They should pay back every penny with interest and issue a written apology to the school children and the citizens of Lawrence."

practice for me to be reimbursed for certain expenses as long as they are reasonable and sensible," he said.

School Committee members, on the other hand, do not have that luxury. According to the School Committee policy (B-18) "School Committee members shall receive no compensation for their services. However, upon submitting vouchers and supporting bills for expenses incurred in carrying out specific services previously authorized by the Committee, Committee members may be reimbursed from district funds." This never took place regarding meal receipts from One Mill Street.

Instead, some School Committee members took advantage of their position as

face to the voters in her bid for reelection.

Joe Edward Smith, an engineer by trade and a union Democrat, says his campaign is about open government and representing issues important to the town voters. "There is a big difference between Ms. Smedile and myself," he said. "Before the voters decide who will represent them on March 30th it is important that they know what those difference are."

"I opposed the trash transfer station and Ms. Smedile supported it," Smith also said Smedile supported leasing half the airport land adding, "the people of North Andover clearly wanted it sold off. It is important to represent the people of the town and act on their behalf." Smith says he opposes \$95,000 in raises for nonunion employees "especially at a time when we are talking about laying off fire

Sullivan: "Absent All Auto Fraud, Insurance Rates Won't Go Down!"

"...if you call the Board of Insurance today and ask them... 'If the auto fraud goes away completely (in Lawrence), at what point will the rates go down? They will tell you what they told me last week, they won't."

...Lawrence Mayor,
Michael J. Sullivan

Lawrence - Mayor Michael Sullivan says that even if police investigations are capable of eliminating all auto insurance fraud in the City of Lawrence, "auto insurance rates still won't go down."

Sullivan, touting the hard work of Police Chief John Romero and the Lawrence Police Department, said that the investigations into auto insurance fraud in Lawrence were producing startling results but added, "If you call the Board of Insurance today and ask, just for example, 'if the auto fraud goes away completely (in Lawrence) at what point will the rates go down?' What they will tell you is what they told me last week, they won't."

Andover's Marasco Campaigns for Reform

Valley Patriot Staff

Boston - State Rep. Candidate Maria Marasco (R-Andover) received a campaign boost from Lt. Governor Kerry Healey in Boston last week at her first fund raising event in preparation for her formal campaign announcement for 18th Essex State Representative. The district spans six communities, including her hometown of Andover, North Andover, Boxford, Haverhill, Methuen and Georgetown. The seat is currently held by first term incumbent Barbara L'Italiani (D-Andover).

"Maria is exactly the right kind of person who will best represent her district," said Healey. "Maria has the right kind of skills to help us reshape government in an effective way," she said. Marasco supports the governor's efforts to cut waste and mismanagement in state government.

"I will stand by the Governor and Lt. Governor to make responsible reforms. As

Presenting the...

***OFFICER TOM DUGGAN SR. PUBLIC SAFETY AWARD**

On March 16, 1990, Lawrence Police Officer Tom Duggan Sr. lost his life in the line of duty. He was a man who loved being a police officer and lived his life responding to cries for help in the community. While he worked on many major cases and high profile crimes, he always said that it was the day to day work he did on and off duty to help people in small ways that really made his job worth doing. This year we honor his service and sacrifice with "The Valley Patriot, Officer Tom Duggan Sr., Law Enforcement Award." The award is given to members of public safety (police or fire) and/or one civilian who honors the service and personal sacrifice police officers and firefighters make every day. Officer Duggan believed that those little extra things we do in life to help others ... make the biggest differences in people's lives at the end of the day and makes the world around us a better place.

METEOROLOGIST

Born in the Dominican Republic Francisco Urena grew up in Lawrence, attending the Lawlor, Tarbox & Arlington Schools before his family moved to Florida. In June of 1998 Urena joined the Marines, training at Paris Island, SC, & then attending 2 ½ months of training as a tank commander where he learned how to operate the M1A1 tank, graduating as a tank crewman. Urena served as a security officer at the U.S. Embassy after completing a rigorous course at Quantico, VA. "My first post after completing training was in Damascus, Syria where I spent a year and a half." There, Urena learned how to speak Arabic fluently. He also learned how to speak fluent Russian when he was assigned to his second post at the U.S. Embassy in Bishkek, Kyrgyzstan, a country which was formerly part of the Soviet Republic. After returning home for a brief period in 2004, Urena found himself on his way to Iraq as a tank commander in the Spring of 2005 in el Anbar province of Iraq on the eastern border of Syria. During his time in Iraq, Urena was part of three major operations; Operation Matador, Operation Spear and Operation Quick Strike. During operation Matador Urena was issued a navy achievement medal for heroic actions and quick decisiveness during combat operations where he and his company were ambushed by terrorists. Urena was credited for saving numerous lives and evacuated civilians from the area safely while under heavy fire. During "Operation Spear" Urena showed his heroism once again when he was hit with shrapnel in the face. Urena was honorably discharged on June 15, 2006, but his service to his country did not end there. When he came back to the states he served as the City of Lawrence's Veteran's Services Director and is now the Secretary of Veteran's Services for the Commonwealth of Massachusetts.

WHAT WE DO WITH YOUR ADVERTISING DOLLARS

The Valley Patriot is more than just a newspaper... it's a MOVEMENT!

Throughout the year, our fearless leader Tom Duggan uses the power of media to bring light to great local charities and organizations that he personally researches to make sure the money donated goes where it's supposed to go. Your support of the paper with advertising makes the BASH possible and the BASH makes things like THIS possible!!

The Grand Menorah Lighting North Andover

Six years ago when our publisher found out that the annual lighting of the Grand Menorah may not take place in North Andover for lack of sponsors, he contacted Chabad Lubavitch Jewish Center of Merrimack Valley and offered to help keep the local tradition going by being the only sponsor! For the six years the Valley Patriot has sponsored the Grand Menorah Lighting on North Andover Common to keep the candles burning. Thanks to YOU, our advertisers and our BASH sponsors the tradition continues! THANK YOU ALL!

EDUCATING VOTERS WITH REAL POLITICAL DEBATES

This past year the Valley Patriot held and moderated six political debates including this one including this one for Essex County Sheriff at North Andover High School

SUPPORTING OUR LAW ENFORCEMENT OFFICERS!

For the third year in a row, while other media outlets were trying to get cops killed with their fake news about how they are all evil racists who gun down black men for fun, Tom and the Valley Patriot family were holding rallies in the community to support our police!

REWRITING THE STATES PULIC RECORDS LAW

And then there was this little matter of Tom Duggan re-writing the state's public records law so that public officials who conceal public records will be punished. Thank you to Sen Katy Ives, Rep. DiZoglio, for sponsoring the bill and Governor Charlie Baker for SIGNING IT!

WILLS & TRUSTS ARE WHAT WE DO!!!

Every day when we walk out the door, there is always the possibility that it may be our "last" time. You wouldn't walk out the door without your wallet; if you fail to plan for your Family's future, that's exactly what you may be doing.
